Dynamic Active U.S. Equity ETF

Dynamic Active U.S. Equity ETF invests in a high-conviction portfolio of quality growth companies in the United States.

- **Growth style** – Professionally managed to provide long-term capital appreciation by selecting quality growth companies that are leaders in their respective industries.
- **Active Management** – Our legitimately active approach offers a defined, repeatable, and focused investment process that seeks to build a rigorously researched portfolio of 25-50 best-in-class companies.
- **Diversification** – Adding exposure to high-quality U.S. growth companies may lower the overall risk profile of an investor's portfolio and improve growth potential.
