

Dynamic Global Yield Private Pool

Using specialized income-oriented strategies as building blocks, this investment Pool provides broad diversification, stable income and moderate growth.

Asset Mix

60% Equity/40% Fixed income

Leveraging Dynamic's Legitimately Active Managers

This Pool is constructed to offer a diversified yet concentrated portfolio. High active share is achieved by combining legitimately active equity managers who focus on different regions and run concentrated mandates of no more than 15 to 25 securities. Managers are given considerable flexibility within certain limits to ensure the Pool has an appropriate level of diversification while remaining meaningfully different from its benchmark.

Investment Discipline

Equity

- Each strategy is allocated to a manager with distinct expertise in the assigned region.
- Equity income managers focus on their highest conviction ideas running concentrated mandates of 15 to 25 securities.
- Blending managers aims to enhance returns and dampen volatility.

Fixed Income

- Mix of managers provides exposure to the full fixed income spectrum from high quality bonds to higher yielding securities, bank loans and preferred shares.
- Featured fixed income managers tactically manage duration, sector allocation and foreign currency exposure to deliver value.
