

Dynamic Funds announces final year-end reinvested distributions for the Dynamic Active ETFs

TORONTO, December 29, 2022 – Dynamic Funds today announced the final year-end reinvested distributions for the Dynamic Active ETFs listed on the TSX for the 2022 tax year. Unitholders of record on December 30, 2022 will receive the reinvested distributions for the respective Dynamic Active ETFs on January 5, 2023.

These are final year-end distributions which will be reinvested in additional units of the respective Dynamic Active ETFs and do not include any cash distribution amounts for December. The additional units will be immediately consolidated so that the number of units outstanding following the distribution will equal the number of units outstanding prior to the distribution.

The actual taxable amounts of reinvested distributions for 2022, including the tax characteristics of the distributions, will be reported to CDS Clearing and Depository Services Inc. in early 2023. Securityholders can contact their brokerage firm for this information.

The final reinvested distribution amounts per unit are:
