Attending Virtual Meetings

1832 Asset Management L.P., the manager of the Funds (the “Manager”), is holding the Meetings solely as virtual meetings which will be conducted by way of live audio webcast. Securityholders will not be able to attend the Meetings in person, but virtual participation is encouraged. All securityholders of the Funds and duly appointed proxyholders, regardless of geographic location, will have an equal opportunity to participate at the Meetings and engage with the Manager as well as other investors in real time. **Even if you currently plan to virtually participate in the Meetings, you should consider voting your securities of the Funds in advance so that your vote will be counted in the event you experience any technical difficulties.**

To participate in a Meeting, securityholders of a Fund will need to visit <http://meet.secureonlinevote.com>, and log in using the 12-digit control number included on your form of proxy. The Meeting platform is fully supported across browsers and devices running the most updated version of the applicable software plug-ins. You should ensure that you have a strong, preferably high-speed, internet connection wherever you intend to participate in a Meeting. The Meetings for each of the Funds will begin promptly at the time indicated herein on August 12, 2026. Online registration will begin 30 minutes prior to the start time for the applicable Meeting. You should allow ample time for online registration procedures. If you encounter any difficulties accessing the Meeting during the registration or Meeting time, please use the contact link for technical support that will be posted on the Meeting log in page. The webcast Meeting allows securityholders and duly appointed proxyholders to attend a Meeting live and submit questions. Registered securityholders and duly appointed proxyholders can submit their vote while a Meeting is being held. **The 12-digit control number will be included on your form of proxy for the Fund(s) for which you are a securityholder as at the close of business on June 24, 2026. If you receive multiple forms of proxy and are a securityholder of more than one Fund, and wish to submit your vote(s) in respect of more than one Meeting, you will need to log in separately for each such Meeting, through separate browser windows or tabs, using the 12-digit control number included on your form of proxy for each such Fund.**
