

## Important Tax Notice to U.S. Investors

This statement is provided for investors who are United States persons for purposes of the U.S. Internal Revenue Code of 1986, as amended (“IRC”) and the regulations thereunder. It is not relevant to other investors.

Marquis Institutional Balanced Portfolio (the “Fund”) may be deemed to be classified as a Passive Foreign Investment Company (“PFIC”) as defined in Section 1297(a) of the IRC for the year ending December 31, 2024.

We recommend that all U.S. taxpayer clients consult a tax advisor concerning the overall tax consequences of their ownership of the Fund and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in a PFIC on the IRS website, [www.irs.gov](http://www.irs.gov), by searching “Form 8621 Instructions”.

Please find below a PFIC Annual Information Statement (“AIS”) for the Fund. The PFIC AIS is being provided pursuant to the requirements of Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable you, should you so choose based on the advice of your tax advisor in light of your personal tax circumstances, to elect to treat the Fund as a qualified electing fund (“QEF”).

Generally, an election is filed for each mutual fund you hold and on which you wish to make a QEF election. If you hold a fund that holds one or more underlying funds, you will receive a combined PFIC AIS containing information that will enable you to elect to treat any or all of the funds as a QEF as you choose, as well as information relating to your securities and values in your indirect holdings.

The information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice. You should seek advice based on your particular circumstances from an independent tax advisor.

If you have any questions regarding this matter, please contact your financial advisor and/or your tax advisor for more information. Thank you for your continued support.

**Marquis Institutional Balanced Portfolio  
PFIC Annual Information Statement  
For the Year Ending December 31, 2024**

1) This Information Statement applies to the taxable year of the Fund for the year beginning January 1, 2024 and ending on December 31, 2024.

2) The per unit amount of ordinary earnings and net capital gains for each Series of the Fund for the period specified in paragraph (1) is as follows:

Series	Ordinary Earnings (US\$)	Net Capital Gains (US\$)
Series A	0.268724	0.327406
Series C	0.553909	0.674867
Series F	0.407491	0.496475
Series FT	0.254378	0.309927
Series G	0.268673	0.327344
Series I	0.532030	0.648211
Series T	0.212127	0.258449
Series V	0.244824	0.298286

To determine your pro-rata share of the amounts above, multiply the amounts by the number of units of each Series you held during the year.

- i. If you owned the same number of units from January 1, 2024 through December 31, 2024, multiply the number of such units by the amounts above.
- ii. If you did not own the same number of units from January 1, 2024 through December 31, 2024, multiply the number of units you owned by the amounts above as well as by the number of days the units were held in 2024 and divide the result by 366.

3) The per unit amount of cash distributions<sup>1</sup> and property distributions for each Series of the Fund for the period specified in paragraph (1) is as follows:<sup>2</sup>

Series	Property Distributions (US\$)	Cash Distributions (US\$)
Series A	0.218900	0.000000
Series C	0.451473	0.000000
Series F	0.442081	0.000000
Series FT	0.318472	0.000000
Series G	0.222079	0.000000
Series I	0.707399	0.000000
Series T	0.264242	0.000000
Series V	0.315119	0.000000

<sup>1</sup> Under U.S. tax reporting rules, cash distributions only include distributions denominated in U.S. currency. Distributions denominated in Canadian currency are reported as property distributions.

<sup>2</sup> All amounts are reported in U.S. dollars. Distributions represent average distributions that are not reinvested in the fund. If you have elected to reinvest your distributions, the above amount may not be reflective of the actual distribution amount you received during the year. If you have made a QEF election, your basis in your fund securities is based on your investment in the fund before the election, plus your share of ordinary earnings and/or net capital gains less the actual distributions you have received during the year. You should consult your U.S. tax advisor to determine your U.S. tax basis in the fund securities during the year.

To determine your pro-rata share of the amounts above, multiply the amounts by the number of units of each Series you held during the year.

- i. If you owned the same number of units from January 1, 2024 through December 31, 2024, multiply the number of such units by the amounts above.
  - ii. If you did not own same number of units from January 1, 2024 through December 31, 2024, multiply the number of units you owned by the amounts above as well by the number of days the units were held in 2024 and divide the result by 366.
- 4) Please note that for reporting purposes you may need to separately report the per unit amount of income and the per unit distribution of cash and property distribution from the Fund and for each underlying fund. Information below is intended to provide this information. Please consult your tax advisor.

The per unit amount of ordinary earnings and net capital gains for each Series of the Fund and its underlying funds for the period specified in paragraph (1) are as follows:
